ENVIRONMENTAL POLICY

Walker's Shortbread Ltd is committed to protecting the environment.

The Company commitment will be ensured by means of constantly monitoring a programme of continuous improvement.

In particular, Walker's Shortbread Ltd's specific aims are to:

Assess and manage the environmental impact of all our operations,

Ensure that energy, water, raw material and waste levels are all monitored, kept to a minimum and reduced where possible,

Comply with all relevant quality and environmental legislation and affect changes as appropriate,

Support pollution prevention and minimisation programmes,

Communicate our policy to employees and to make available to all other interested parties.
